***Fliering of Arenas/Stadiums** must be preapproved by client and venue. PCI will require a letter of approval from the venue with a contact name and phone number at venue in case of issues during distribution.

****Drop** location and number of pieces dropped per location are determined by client. Drop audit includes name of business, contact info, date and number of pieces dropped.

*****Door Hangers Residential** locations and zip codes are determined by client. One item per door either placed at door seam or rubber banded to handle. An area map will be provided to client at conclusion of door hanger distribution.
